Cathy,

Attached are your materials for next Tuesday's Illinois Chemical Industry Council event.

- Remarks (two versions: full and summary)
- Itinerary (same as what Jeff sent previously)
- Hot issues

We are still waiting to hear back from HQ on the hot issue write-up regarding EtO. I will forward that along as soon as I have it.

Please let me know if you have any questions or would like to see changes made to your remarks.

Thanks,
